ABOUT US

Al Furat is a leading supplier of fire safety solutions in Egypt. Established in 2023, Al Furat has become one of the largest specialized companies covering all aspects of Firefighting and fire alarm systems. We have partnered with globally recognized brands, all UL-listed and FM-approved. By the start of 2025, Al Furat became the sole agent for Al Furat Cabinets and XFlow Brand and Agent for Honeywell. Our specialized team is dedicated to providing the highest quality products and services in firefighting systems.

OUR MISSION

To deliver high-quality firefighting systems, tailored to meet the unique needs of our clients, ensuring comprehensive protection to safeguard lives and properties.

OUR VISION

To lead the industry in Egypt and the Middle East by providing top-notch solutions that safeguard lives and properties against the dangers of fire, setting new standards for excellence, reliability, and comprehensive protection.

Dear Colleagues and Partners,

It is my honor to welcome you to our company, a leader in providing fire safety solutions. We strive to offer the best safety systems while considering our clients' needs. We have made remarkable strides with our innovative AlFurat cabinets and XFlow Brand, which encompasses a broad range of high-quality products. Together, we will continue to innovate, uphold our commitment to safety, and set new benchmarks in the fire fighting and fire alarm industry.

Warm regards,

Eng. Eslam El Deeb

Dear Team and Partners,

I am proud to reflect on our incredible journey in the fire fighting and fire alarm industry. As both the sole agent for AlFurat cabinets and XFlow Brand and a distributor for several brands, we are uniquely positioned to offer comprehensive solutions that meet the diverse needs of our clients. I am grateful for the dedication and hard work of each member of our team. Together, we have built a foundation of trust and reliability. Let us continue to strive for innovation and excellence work to ensure safety.

Best regards,

Eng. Wael El Deeb
